Respected Madam, Revathi Kurian and the team

Greetings from Bro. Jaison and the staff of the Jan Vikas Society. The few lines are the expression of my gratitude to you for your selfless love and support shown towards the welfare of the under privileged children of our society. We are and will be able to reach out to these poor kids only with the generous support of well wishers, friends and benefactors like you. May God bless you and your family with His many-fold blessings. Thanks a lot for your kind support and love for these children. I hope and pray that God keeps you and everywhere with good health of mind and body.

Once again sincere thanks to you and your team for all that you are to us. May you continue to mirror out God's love through your life. May you continue to be a beacon giving hope to the children. May God bless you and I assure my prayer.

Yours lovingly

Bro. Jaison
