

composite-thermoplastics, rubber additives, adhesives, waxes, flame retardants, pharmaceutical ingredients, mineral and industrial acids, water treatment chemicals, pool and spa chemicals, janitorial and sanitation chemicals and industrial specialty chemicals

**Services:** Manufacturing, logistics

**Assets:** Three warehouses in Ontario, Quebec

**139 SLACK CHEMICAL**  
2010 SALES: \$30.0M  
Carthage, New York, US

[www.slackchem.com](http://www.slackchem.com)

President: Robert Sturtz

**Products:** Acids, aqua ammonia, caustic soda, sodium hypochlorite, polymers, hydrogen peroxide, magnesium hydroxide, salt, polyaluminum chloride, solvents, talc, soda ash, diatomaceous earth, paper chemicals and potable wastewater chemicals

**Services:** Blending, liquid/dry packaging, customer pump-outs, customer design and of make-down units for polymer application, warehousing

**Assets:** Three warehouses in Carthage, Castorland and Saratoga Springs, New York comprising 350,000 square feet, bulk liquid storage totaling 420,000 gal

**140 NORTEX**  
2010 SALES \$30M  
Moscow, Russia

[www.nortex-chem.ru](http://www.nortex-chem.ru)

President and CEO: Vladimir Yakushin

**Products:** Isocyanates, polyols, polyacrylates, synthetic rubber, antioxidants, phenolic resins, plasticizers, catalysts, alkylphenols, mineral fillers, flame retardants, additives, natural oils, natural and synthetic acids, blowing agents, molecular sieves and basic chemicals

**Services:** Handling liquids and solids, packaging, storage, technical consulting, providing samples

**Assets:** Two offices, three warehouses, two trucks

**141 COMET CHEMICAL**  
2010 SALES: \$29.92M  
Innisfil, Ontario, Canada

[www.cometchemical.com](http://www.cometchemical.com)

President: James Stewart

**Products:** Solvents, aromatic and aliphatic hydrocarbons, chlorinated solvents, glycols, glycol ethers, glycol ether acetates, ester acetates, amines, alcohols, ketones, VOC alternatives, caustic soda and acids

**Services:** Blending, packaging, storage, drum and tote services, environmental services

**Assets:** 40,000 square foot warehouse with laboratory, six stainless compartment tankers, three tractors and van trailers, rail siding, 50+ bulk storage tanks

**142 RAM CHARAN**  
2010 SALES: \$29.9M  
Chennai City, Tamil

Nadu, India

[www.ramcharan.org](http://www.ramcharan.org)

Partner: Kaushik Palicha

**Products:** Rubber, rubber additives, plastic additives, pigments, construction chemicals and adhesives

**Services:** Storage, packaging, dry dock sales, micronizing, testing, formula support

**Assets:** Nine warehouses in India, 18 trucks, four licensed commercial vehicles, one temperature-controlled storage facility

**143 CHEMICAL DISTRIBUTORS INC.**  
2010 SALES: \$28.2M

Buffalo, New York, US

[www.cdibuffalo.com](http://www.cdibuffalo.com)

CEO: Mark Russell

**Products:** Acids, alkalis, commodity and proprietary chemicals, solvents, dry chemicals, reagent chemicals, food and pharmaceutical ingredients

**Services:** Dry and liquid blending, packaging, laboratory testing, warehousing, process equipment sales

**Assets:** 82,000 square feet of warehouse space, nine trucks, 20 tankers and trailers

**144 GJ CHEMICAL**  
2010 SALES: \$27.5M  
Somerset, New Jersey, US

[www.gjchemical.com](http://www.gjchemical.com)

President: Diana Colonna

**Products:** Acids and anhydrides, alcohols, aliphatic solvents, amines, aromatic solvents, automotive chemicals, chlorinated solvents, epoxy resins, glycols, heat transfer

fluids, monomers, ketones, plasticizers and specialties

**Services:** Testing, bulk storage, repackaging, liquid bulk handling, custom blending, purifying, and stabilizing

**Assets:** Three locations in central New Jersey, US, 500 stainless steel totes, 50 bulk storage tanks, full analytical laboratory, USP/NF white room

**145 GULF COAST CHEMICAL**  
2010 SALES: \$26.8M

Abbeville, Louisiana, US

[www.gulfcoastchemical.com](http://www.gulfcoastchemical.com)

President and CEO: Jim Fusilier

**Products:** Glycols, methanol, ethanolamines, coolants, lubricants, production chemicals, heat transfer fluids, solvents and specialty drilling products

**Services:** Blending, field cleaning of glycol dehydrators, packaging, lab services, pump repair

**Assets:** Six warehouses, one dockside methanol terminal, 21 delivery trucks, 90,000 square feet of warehouse space, 450,000 gal bulk storage

**146 INDUSTRIAL CHEMICALS CORP.**  
2010 SALES: \$26.0M

Arvada, Colorado, US

[www.industrialchemcorp.com](http://www.industrialchemcorp.com)

President: Robert Wilson II

**Products:** Acetates, acids, aliphatic
